

## Book list S4 2023 - 2024

### General materials needed

- School diary
- A4 work books (lined and squared)
- Pencils, sharpener and eraser
- Pens (black/blue and some colours)
- Glue
- Scissors
- Highlighters
- Protractor triangle and/or ruler
- Compasses
- Folders for copies
- Any simple, non-graphing, scientific calculator with trigonometric functions (a sin, cos, tan-button) is allowed.

### Device

Chromebooks and android-based devices are not allowed because they do not support all the software in use in school. The parents are free to choose any device but it is strongly advised to choose a laptop or tablet with the following specifications and to avoid Chromebooks and android-based devices, based on previous experiences.

• Operating system: Windows 10/11 or Mac OS X.

• Connections:

o Integrated Wifi

o Minimal 1 USB (USB-A or USB-C) port

USB-C ports for charging can also be used for charging via power banks and could be useful if battery life decreases over the years. Not all USB-C ports support charging, so check carefully!

• Processor: recommended at least Intel Core i3 (10th generation) or AMD Ryzen 3, equivalent or better

• Memory: At least 8GB RAM (preferable at least 16 GB) and a 256 GB SSD is recommended

• Screen:

o At least 10.8 inch, a maximum of 12/13 inch, with a minimum resolution of 1080p.

(14/15 inch is fine however, less space on the table)

• Touch screen and stylus pen are strongly recommended.

• Battery life: A long battery life and/or spare battery

• Keyboard: Integrated or external

• General:

o Lightweight, for ease of transport and use

o Protective case

• Software that needs to be installed:

o Microsoft Office 365

Every student has a license to install Microsoft Office 365 on a maximum of 5 different devices. (If needed, ask a teacher for help with installing the software)

o Virus protection

o Pdf reader (e.g. Acrobat Reader)
