Moreover, each student must own a printed copy of each text as they will be expected to make annotations as they read. Digital texts or EReader texts are not allowed. Students will need an A-4 notebook for daily use, and a large triple binder and dividers for organizing their work and materials. Finally, it would be helpful to have highlighters and small bookmark sized post-it notes for annotations.                                                                                        | 12 euros      |
